AIRPORT ENGINEER

SUBJECT: Imported Soil + NE T-Hgn Demo

ADDITIONAL COMMENTS:

1. I need a load count/quantity per day or some other
breakdown of how you got to 1082 CY. (I thought
it was only going to be about 400-500 CY)
2. Please have the barriers picked up. We put them
on the south side of site outside of the temporary fence
3. The agreed upon price was \$2.00/CY not \$2.50
please redo bill.
4. Please provide evidence of demolition permit for NE T-Hgn
demo work
